Experience the joy of communicating with your baby/toddler before they can even talk.

Signing with baby/toddler:

- ♥ decreases frustration, tantrums, and tears;
- ♥ enables your baby to share his or her world with you;
- ♥ strengthens the parent-infant bond;
- ♥ helps you to recognize just how clever your baby is;
- ♥ promotes the development of self-confidence and self-esteem;
- ♥ baby signing classes are fully inclusive and are aimed at all children aged 0-5 years, regardless of their needs / abilities.
