

## Volunteer as a Local Project Manager for Trafford

Are you ready for a life changing challenge?

Do you want to make your local community a cleaner, greener more sustainable place to live in?

Action for Sustainable Living supports individuals and their communities to make a difference. **We believe that small steps lead to big changes.**

We would like to support new areas and are looking for **Ten Voluntary Local Project Managers** to help us to do this in **Trafford**.

The role is a challenging yet rewarding one; you will develop new skills, meet new people and really feel like you are making a difference. If you are an enthusiastic, self-motivated individual able to offer **at least eight hours per week** to support AfSL's activities, why not nominate yourself for this unique opportunity?

*'To me, the 8 hours per week that I contribute to Action for Sustainable Living are more meaningful than a full-time job in any non-sustainable organisation'.*
