

## Volunteer as a Local Project Manager in Trafford

Are you ready for a life changing challenge?

Do you want to make your local community a cleaner, greener more sustainable place to live in?

Action for Sustainable Living in partnership with Trafford Council support individuals and their communities to make a difference. **We believe that small steps lead to big changes.**

Local Project Managers are already active in some parts of Trafford and we would like to find motivated residents to join our team.

The role is a challenging yet rewarding one; you will develop new skills, meet new people and really feel like you are making a difference. If you are an enthusiastic, self-motivated individual able to offer **at least eight hours per week** to support AfSL's activities, why not nominate yourself for this unique opportunity?

*'To me, the 8 hours per week that I contribute to Action for Sustainable Living are more meaningful than a full-time job in any non-sustainable organisation'.*

*AfSL Local Project Manager Manchester City Centre*

**No previous experience necessary.**

**What's in it for you?**

- Get the **career** you want with **voluntary experience**
- **Support, training, resources** and **mentoring** from AfSL
- **Make a real difference** in your local area

LPMs attend events, give talks and workshops and set up local action groups and projects. Previous Local Project Managers have set up community allotment projects, fair trade societies, energy action teams, composting schemes, local shop campaigns and much more besides.

These posts are available for a minimum period of 6 months.

The deadline for applications is on Monday 28<sup>th</sup> June at 10am, please note the Induction evening is on Weds 30<sup>th</sup> June from 5:30pm, so keep this evening free if you are interested in applying.
